# CHARLO WEEKLY

Jan. 19-  
Jan.26

Issue no. 01

We bring you the most objective and breaking news in all of Charlo and Charlo High School.

## FALL 2021-22 SEMESTER ENDS!

### A Semester Recap

By: Aida Cote

CHARLO, MT —Students came back to Charlo for the 2022 school year on April 23rd with smiling faces. By this time, football, volleyball, and cross country seasons were underway. Homecoming was a difficult week for our sports teams due to games constantly being canceled and rescheduled. With games finally secured, on Thursday, the Volleyball team lost to Thompson Falls, their first of the season.

Friday the Football boys had a good win against Choteau. Do to an elaborate and complex network of schedule changes Choteau was gracious enough to come over and play us, thank you Choteau. The sophomores wrapped up homecoming with an awfully planned out and badly executed bonfire. Charlo Football ended with a 5-4 record and Volleyball ended third at divisionals. Soon after that, high school Basketball started up on November 18th. Next came Thanksgiving break. With Thanksgiving

break comes the annual Charlo Dodgeball Tournament. The Juniors came away with another win making them three year champs. From there, it was a battle for everyone to survive until Christmas break. Everyone pulled through and the break began after a fun movie day. On January 3rd school started back up and 17 days later, here we are at the end of semester. Halfway there!

## SPORTS

### *VARSITY SWEEP!*

By: Teyja Beeks

The Girls Varsity played Hot Springs at their home turf and as Coach Voegelé would say, "We have to really bring it to them, and improve no matter what team we are playing" – they gave them a tough match and beat them 50-17. Coach Voegelé's dad (former Basketball coach) added that the Lady Vikings defense brings a great advantage to the table when it comes to their game, and they are able to run transition offense strongly.

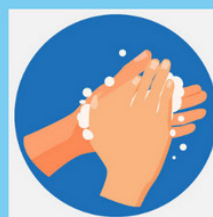

The Boys Varsity had a tough match-up with the Hot Springs team on January 15th at 7:00p.m. The entire game left the crowd feeling antsy, after answer after answer left the game close at half-time. By the end of the fourth quarter the game was at a risky 55-57 with the Vikings losing by two. The entire gymnasium was on their feet as the Varsity coach Reese Cox drew up the play with two seconds left on the clock. Keaton Piedalue was at the basket wide-open, yet a smart play by Stetson Reum to find Tucker Love open for three. The buzzer rang loud while the audience fell silent, to hear the sound of the net go Swish. They went home with a hard earned win of 58-57.

### ADVICE TO STOP THE SPREAD OF COVID-19

according to the World Health Organization

#### WASH YOUR HANDS!

Use warm soap and water while washing your hands and scrub in all creases and corners for at least 20 seconds.

#### USE HAND SANITIZER

Hand sanitizer that is alcohol based is the best for killing germs and bacteria. Use sanitizer with at least 60% alcohol for most optimal use.

#### WEAR A MASK

Properly wear a mask when you are in crowded areas especially if you are sick or unvaccinated. Make sure the mask is worn over the mouth and nose.

#### AVOID CROWDED PLACES

If you are sick or showing any symptoms of sickness stay home and avoid crowded places indoors. Meet people outside and if you must go indoors wear a mask and increase ventilation.

## OPINION

### *New Bathrooms?*

By: Taylea Lund

Monday, January 17, there was an atrocity in the boys locker room. Our male students recall it as a heinous deed. Student Tucker Love describes it as, "horrendous, I have nightmares about it to this day. I am considering billing the school from the therapy costs." He says, "I will never be the same again." Tucker walked into the bathroom, the misdoing seemingly unknown, and that was when he saw it. The door was literally ripped in half with obscene graffiti drawn on the battered stall. For legal reasons, the culprit cannot be revealed. And this is exactly why we should remodel our bathrooms. The stalls are easily breakable, the middle stall in the girls bathroom has yet to be in order, it smells funky (and no, not including the smell of human feces), the sink handles look ready to break off, and it's just overall rundown. We could even use MORE stalls in the bathrooms. After the incident in the boys locker room, it's become more evident that we're in need of a remodel.

## Covid-19

### *Update*

Covid-19 is still very real in Charlo High School Just last week we had many students and faculty out with sickness. Pictured left is some advice to stop the spread of Covid-19 and other air-born illness.
