### District Tournament

By: Tucker "Iceman" Love

CHARLO, MT — Saturday evening, in the Ronan Event Center, both the Vikings and Lady Vikings played in the District Championships. The Lady vikings started the night off, facing the Superior Bobcats. In the Regular season, Charlo managed to beat them twice, however it was a different story on Saturday. After a slow back and forth game, the Lady Vikings found themselves down by 3 with less than 25 seconds left. Senior,

Katelyn Young, managed to hit a 3 to tie it up in the final 15 seconds. Superior was able to wind down the clock and a block shot from Superior's Cassidy Green gave them the lead and the win. The final score was Charlo 32, Superior 34. In the Boys 14C championship, the Charlo Vikings faced off against the Tigers of St. Regis. The Tigers were able to get the lead quick and maintain it throughout the first half. The Vikings, trailing by 10 at half time, made a daring comeback in the final quarter. The Vikings out scored the tigers

23-10 in the 4th quarter, however it wasn't enough to give the Vikings the edge they needed. The score was the Vikings 50 and St. Regis Tigers 51.

### Choir?

By: Tejah Beeks and Aida Cote

In recent years Charlo has been without a Choir program, why is this? With the amount of kids who enjoy band, music, and the fine arts, I believe it would be beneficial to the students if we had a Choir elective. Choir would be a way to bring kids that previously didn't get along together, everyone likes to sing. With a choir, the National Anthem at sporting events could be sung instead of played. It would also be another way for kids who enjoy singing to get another fine art credit. I think it would give kids a chance to have greater academic success and more advanced social skills. Mrs. Madden is a great music teacher, and her class is very fun and entertaining and I believe she would make a great choir teacher for Charlo. I know that the people want more electives at Charlo Schools, and a choir would be a big first step.

### Midterms!!

By: Aida Cote

Quarter 3's Midterm is coming up already! On Thursday, February 24th we will already be halfway done with this quarter. Make sure you stay on top of your work so you can be all caught up before the end of the week. If you are going to have trouble keeping your grades up, the teachers recommend that you attend Friday school. It's 8-12 on Fridays. If you need to finish your work for the week the teachers really suggest it.

### GEO BEE!

By: Teyjah Beeks

The Geography Bee was held on Wednesday, February 16th in the gym, and was announced by Mrs. Rasmussen. This year's contestants consisted of 5th-8th graders who are competing for The State Geography Bee in Missoula at the University of MT. They will have to take a test on Thursday, to see who will reach the top 100 contestants. The winners of this year's competition are Olivia Carnell for first place, and Abigail Wagner for second place. Tied for third place was Tasker Brown and Jackson Corvil. Congratulations!
