

We bring you the most objective and breaking news in all of Charlo High School and the world.

MADDNESS ON THE MOUNTAIN

Ski Trip

By: Tucker "Bilbo Baggins" Love

Earlier this week, two buses full of 6-12 students loaded up and headed west. Their destination is the Lookout Ski Area. In the morning, the snowy and slushy pass caused multiple trucks to spin out and cause traffic to stop in the westward lane. After two hours of waiting the buses finally made it to the ski slopes, leaving about a half day to ski. The return home was another battle. One of the buses was experiencing

electrical problems which made the bus unable to shift. All of the kids crammed on the 2nd bus and bus driver/superintendent Steve Love limped the broken bus to St. Regis where a third bus was waiting. The plan was to get to St. Regis then split back up into the two working buses. The two buses both made it back to St. Regis and the kids split up. The first half of the kids immediately headed home. The other half were waiting for the school van who was carrying 4 kids and driven by a Chaperone. However, snowmelt and rain had created short stretches of highway

that were 2 feet under water which caused the van to break down. This lengthened the wait from about 10 minutes to about 2 hours. Thanks to a highway Patrolman and a tow truck the 5 were able to make it down the pass and link up with the others. The second bus of kids were finally able to head down the mountain. Special thanks to Sergeant Smalley with MHP for helping get our people down the pass. Al-Thanks to Sarah Vaughan, Mr. Love, Joe Broom, Mr. Redeker, Mrs. Cox, and Kris Griffith.

Lunch			
Monday, Mar. 7 Taco Soup	Tuesday, Mar. 8 Sweet and Sour Chicken	Wednesday, Mar. 9 Spaghetti	Thursday, Mar. 10 Turkey Gravy/Mashed Potatoes
Monday, Mar. 14 Fish Sticks	Tuesday, Mar. 15 Chili Cinnamon Rolls	Wednesday, Mar. 16 BBQ Chicken	Thursday, Mar. 17 Cheese-Burgers

OPINION

Serve the Community

By: Teyjah "Nugget" Beeks

Recently I noticed that Ronan High School had an article written about them for their community services. The Ninepipes Museum had shared that they needed a storage shed built and needed fundings for the project. The community of Ronan High School stepped up to the task and built the Museum a much needed storage shed. After reading the article I think that Charlo High School should be more involved in the community. We can do this by making more Community Outreach Programs for kids to join here at school. We could possibly start cleaning up around the school and town. I think that the Charlo community could benefit from more publicity in newspapers like this. The Valley Journal published this article about Ronan High School to spread the positivity of the project. We need to have projects here in town for the students to participate in, not only for the good of the community but for the benefit of the perception of the school.

WAR

Russia Invades Ukraine

By: Aida "Magic Johnson" Cote

Russia launched an invasion of Ukraine on Thursday, February, 24. Ukraine was a part of the Russian empire for centuries, but won independence after the USSR broke up. Months of military buildup on the Ukraine-Russian border; as well as resistance from Ukraine to coincide with Russia led up to the attacks. In multiple interviews and speeches, Putin has emphasized that he believes Ukraine is still a part of Russia, this would explain the unrelenting pressure Putin has put on the country. President Zelensky of Ukraine has requested Ukraine be admitted to the European Union to help boost Ukrainian fighting forces on the ground. As of right now Ukraine is fighting a very tough battle with already 14,000 casualties. The U.S. has deployed troops to Europe but not Ukraine, they are currently refusing to engage in the war.

SPORTS

Great Season!

By: Teyjah "Nugget" Beeks

The end of the season was last week during the Frenchtown Divisional tournaments for both the boys and girls. After a loss to the Manhattan Christian team for both boys and girls they moved into the loser out bracket. The Lady Vikings had a tough matchup with West Yellowstone last Friday February 25th, going into four overtimes. Unfortunately the Charlo point guard had fouled out, along with defensive leader Hayleigh Smith. They fought hard until the last moments when they lost 66-62. The boys played against the Harrison Wildcats the following day, and arguably played one of their best games all season. They lost by 8 with a score of 49-41. Congratulations to the coaches and the athletes for an amazing
