Juniors Take the ACTs

By: Aida “Jazzi Jeff” Cote

Once a school year comes a day every Junior dreads. The ACTs are a college entrance exam required by the state of Montana for every student. Yes, everyone. They were taken by Charlo’s brave Junior class this Tuesday. Proctor of the test, Mr. Redeker says the ACTs “don’t determine how smart you are, only how ready for college you are.” So to anyone concerned about their performance,

don’t stress about it too much, only a little bit. The Juniors had perfect attendance for the test this year so congratulations to them. When asked, Juniors say that the Math portion of the test was very difficult due to their online math curriculum. Lots of preparation is required for the ACTs but people who have previously taken the test say to keep an even head and not stress prior to the test.

Track is Back

By: Teyjah “Chong” Beeks

This is the third week of track practice and it has been super. Super painful as one might say. The freshmen are starting to get a hold of their new found talents. The environment of practice is truly inspiring due to the runners motivation. Along with the leadership that the seniors bring to the table, always correcting and pushing the rest of us to work hard for our own sakes. We are going to kick off our first track meet this week. First on Tuesday April 5th in Corvallis, at 9:30 am. Then another follows on April 8th and 9th. Friday we will be traveling to Polson where the meet will start at 10:00 am. On Saturday we will be headed to Hamilton where the meet will begin at 10:00 am. Good luck to all track participants this week. Come cheer on your high schoolers and bring lots of school spirit!

WEATHER

Spring Has Sprung!

By: Aida “Jazzi Jeff” Cote

Spring is officially here! As the temperatures rise into the 50’s I’m sure everyone including myself is ready for summer. Lucky for us we’re in the very final stretch of school with only two months left! Just because it feels like summer doesn’t mean we students have any fewer responsibilities, so remember to stay focused on your studies until the very end. As the days get warmer, teachers will crack down harder on dress code requirements. Just remember if you’re going to wear summer clothes, the administration doesn’t want to see your pale skin, so be warned.

Music

Empire Trio Rocks The House!

By: Tucker “Fresh Prince” Love

The students and faculty of Charlo High School were delighted with a musical performance Thursday morning. The musical group Empire Trio made a stop at the school to perform various excerpts from their act they dub Hooray for Hollywood. The group is based out of New York City and is currently on tour throughout the United States. Fortunately for music lovers in the Mission Valley, their tour will come to Polson. That’s right you’ll be able to catch the show at the Polson Performing Arts Center on April 1st. All persons under 18 are free for admission!
