

SkillsUSA FINDS SUCCESS

Medals Won at State!

By: Tucker "Lil Boi" Love

This last weekend on April 9th and 10th four high school students and shop teacher Mr. Atchley made a trip to Helena. There they attended the Montana State SkillsUSA skills and leadership conference. All four students competed and all four students brought home hardware. Jacob Tomlin competed in pin design, welding sculpture, and Quiz Bowl. Pin design and welding sculpture are both competitions that are pre-made. This means that Jacob finished his projects and brought it to the state competition for display and judg-

ing. Jacob placed 2nd in pin design. Braydon Zempel competed in photography, promotional bulletin board, and quiz bowl. Braydon brought pictures of wildlife to the competition and was awarded a gold medal for his photos. Tucker Love competed in intermediate welding, quiz bowl and promotional bulletin board. Tucker brought home a silver in the intermediate welding competition. Both combo welding and intermediate welding are on site competitions where participants actively compete at the same time. These competitions were held at Helena College. All four students were on Charlo's quiz bowl team and won a bronze medal. The

promotional bulletin board, created by Tucker, Coyle, and Braydon received a gold medal at the competition. This year's competition was considered a great success and the team can't wait for next year. If you are interested in joining Charlo High School's SkillsUSA chapter, talk to Mr. Atchley. SkillsUSA has a lot more to offer than just vocational competitions like welding or wood working. The competitions at skills also include things like prepared speech, job interviews, computer applications, and so much more.

SPORTS

First Track Meet

By: Teyjah "Jerry" Beeks

The highschool track team had a track meet last Friday in Polson, and competed in the B-C highschool division. It was a very cold and competitive event, and they were without some of their best sprinters. Kyla Tomblin threw 91 feet and competed in the finals for girls Javelin. The senior Jessica Shenyer competed in the shot-put finals. The team as a whole had a very competitive performance. Congratulations to the highschool track team on a successful first track meet!

MAC Dominates!

By: Teyjah "Jerry" Beeks

The MAC Varsity softball team has been very busy playing games throughout the last couple of weeks. They played Frenchtown and took a tough loss of 11-5. Next they played the Anaconda Copperheads and won 16-1, with Jerny Crawford hitting multiple base hits and giving MAC an early lead. They had a good win over Ronan Maidens on April 5th winning 8-5 with 10 overall hits in the game. Congratulations to the girls MAC Varsity team!

OPINION

PROM NIGHT!

By: Aida "No NickName" Cote

Earlier this month the students of Charlo enjoyed an amazing Prom night at Blood Ranch. After weeks of preparation and waiting, students dressed to impress to walk the red carpet. The Junior class did a fantastic job of ensuring everyone had a good night, and the country music was bumping all night thanks to DJ Lil Boi, Tucker Love. Prom Queen and King, Kassidi Cox and Coyle Nagy enjoyed an unforgettable first dance to ABBA's Dancing Queen. Prom is for dancing, and everyone except for some awkward few

few didn't hesitate to show off their moves. Accompanying the Hollywood Theme, awards were handed out to some lucky folks. Keaton Piedalue won an award for best hat, wearing a bedazzled cap made by his amazing girlfriend. Wesley Anderson and Katelyn Young won best entrance, rightfully so. Aubrey Sharbono had the best hair in the joint, and Sonya Brooks had the brightest dress. Stetson Reum and Taylea Lund were the real dancing queens, winning awards for best dancers. Tayre Brown won best tie and Hayleigh Smith won crowd leader. Thanks to the Junior class for putting on a great Prom, and everyone who threw it down!

FUN ZONE!

Riddle of the Week

It cannot be seen, cannot be felt, Cannot be heard, cannot be smelt, it lies behind stars and under hills, and empty holes it fills. It comes out first and follows after, ends life and kills laughter.

Last Weeks Answer
