NHS PICKS UP TRASH!

By: Tucker "Cripple" Love

Charlo High School's very own National Honor Society chapter took to the streets Thursday afternoon. The chapter decided they would volunteer their time and clean up Charlo. Charlo High's National Honor Society chapter, deemed Ponderosa Chapter, is a group of high school students who were chosen by various school staff for their leadership and service potential. These students not

only do great in the classroom but are also held accountable for their high character. It showed on too. The whole chapter cleaned up trash that was littering the ground in and around Charlo. Their goal was to take action in protecting our environment and also encourage others to do the same. The Ponderosa Chapter is also holding another blood drive on Wednesday May 11th. It will be held from noon to 6 pm in the Charlo High School gymnasium. The American

Red Cross helps with this blood drive and the Ponderosa chapter hopes to make this one another success. For more information or questions on the blood drive contact chapter president Molly Kate Sullivan or Mr. Redeker.

Charlo Shines At Meet!

By: Aida "Big Head" Cote

On Thursday, Charlo's track team left school early to attend one of the coolest meets of the season. The Sapphire Twilight Invitational, just as it sounds, begins at twilight. The meet started at 4:30 and ended around 11, with track athletes getting home at the reasonable hour of 2:00 in the morning. Eight teams came to Corvallis to compete, most being Class A. Charlo was one of two Class C schools in attendance, the other being Seeley Swan. It was a cold meet with the wind blowing, the rain falling, and the sun hiding behind the clouds. Personal bests were not expected but a few athletes beat the odds and did their best. Keaton Piedalue placed 6th in the 200 with an impressive season record. Hayden Hollow placed 4th in the 800 with yet another PR, Hayden Smith placed 6th in the mile with a great time of 4:56. Javelin was very competitive at this event but Charlo Skyline's own Tucker Love still managed an impressive 5th place finish. Kyla Tomlin, Charlo's star thrower placed 5th in Shot put and 6th in Javelin. Out of six men's relay teams, Charlo placed 6th in both relays. Out of five women's relay teams, Charlo placed 5th in both the 4x100 and 4x400. Charlo's boys beat out Polson for a 6th place overall finish with ten points and Charlo's girls fought for an 8th place finish with six points.

More Track!

By: Aida "Big Head" Cote

Last Saturday Charlo's track team took a trip up to Big Sky to compete in the Seeley-Swan Invite Meet. The day was looking beautiful at first. The sun was shining and there was hardly a breeze. The weather quickly changed its mind however, and rain clouds were very present until the end of the meet. With 26 different teams in attendance, this was the biggest meet the team has been to all year. The girl's team placed 17th out of 17, and the boys, unfortunately, did not put any points on the board. Even though our track team may have struggled overall, most individuals on the team had great performances. For the girls, Kyla Tomlin had season records in all of her events, a 5th place finish in shot put and a 6th place finish in javelin. Sidney Bauer PR'd in long jump and Aubrey Sharbono in the 200. Aida Cote had season records in both the 400 and discus, placing 6th. The girls were not able to run their relays at this meet due to anchor Teyjah "Pukey" Beeks being sick. The boy's short relay placed 10th and PR'd in the long relay with a 7th place finish. George Ranney had a PR in javelin, Keaton Piedalue had season records in both the 400 and 100, Coyle Nagy had a season record in pole vault, and Tucker Love in the 1600. Charlo track may not be the best in the state, but they are #1 in our hearts.
