

State Weekend and Schools Year-End

Track and Softball State events!

By: Aida "Legolas" Cote

This weekend, nine Charlo Track athletes were lucky enough to earn themselves a spot to compete at state. This year the State meet was in Great Falls, where hundreds of Montana's best Class C and B athletes participated. Charlo's nine, Coyle Nagy, George Ranney, Keaton Piedalue, Tucker Love, Tayre Brown, Hayden Hollow, Hayden Smith, Kyla Tomlin, and Aida Cote worked hard throughout the season to achieve their

goals. Someone who tried their very best this season is our first year Head Coach Mr. Redeker. Even though it may have been difficult, Coach Red got us to where we are now. The running made us athletes wish for the sweet release of death, but was worth it in the end. Tucker Love took home a fourth place medal in Javelin and Hayden Smith earned a hard fought fifth place medal in the 3200 meter run. Everyone participated to the best of their abilities at State. While the track team was

in Great Falls the MAC softball team was trying to win a state title in Lewistown. The girls battled their way through the bracket after losing to Florence-Carlton in the third round. After a tight game against Shepard High Saturday morning, MAC Lady Bulldogs earned their way to a state championship game. They played Florence-Carlton once again for the win, but lost 11-14. Hayleigh Smith, Bennan Anderson, Katelyn Young, and Payton Smith, Charlo's members of MAC, worked hard all season for a great outcome at state.

STUDENTS

Bye Class of 2022!

By: Tucker "Gimli" Love

There comes a point when class must leave high school and enter the next chapter. This we call high school graduation. The class of 2022 said their final goodbyes on Sunday at the Charlo Gymnasium. Seventeen men and women who were once students at our beloved high school may now switch their title to alumni. We will miss the graduating class of 2022 but we are excited and curious to see what the future holds for these bright young humans. Some may go to college, join the military, or dive right into the workforce. No matter what they do or where they go they will always have their diploma from Charlo High School. Congratulations to the Class of 2022.

MUSIC

Elementary Musical

By: Tejah "Aragorn" Beeks

There was an elementary spring band concert on May 23rd, in the highschool auditorium. This was their last performance and it was surely one of the best. The fifth through eighth graders played first and had an amazing performance, playing some of the harder songs together as a group band. First the fourth graders played "Three Billy Goats Gruff" for the audience, and was being narrated to tell of three goats and their story, with their own spin on it. The audience loved the performance, and the performance continued to get better. The highschoolers went soon after and had an outstanding presentation. Thank you to Mrs. Madden for your help and dedication to the band students of Charlo!

Attention upcoming eighth graders through juniors! If you want to become a writer for the Charlo Skyline Newspaper, it's easy. All you have to do is sign up for the Journalism/Advanced Writing class taught by Mr. Redeker. It's not as intimidating as it sounds, and you have twice as much fun as you'd think. The bonuses include: occasional crackers and sticks of gum from Mr. Redeker, learning how to use Adobe Software, and getting the inside scoop on all the Charlo drama. I would really recommend taking the class for anyone who may be hesitant, I surely don't regret it.
