*Or Deliver on the First Day of Camp*

I hereby release my child to attend Charlo Viking Youth Basketball Camp. I pledge to Have my child to his/her specific time slot on time every day. I pledge that my child will have the proper workout clothing and gym shoes for this camp. I pledge to pick up my child and or have arrangements to have them picked up immediately after his/her time slot every day. I understand that this is not day care and my child is here to gain and develop better basketball skills and it is to be taken seriously. I understand that my child's enrollment fee is for the fundraising of the Charlo Boys High School Basketball Program. I understand that there is no lunch provided for my child and he/she will be properly nourished before participating each and every day. My child and I are fully aware that not every kid will receive a prize, and that prizes are earned and not given. I Pledge that I and my child will behave and conduct ourselves the Charlo Way, which is well mannered, respectful, and supportive. By making this pledge I understand that if I or my child cannot abide by these statements we may be removed from camp. I also agree that no refunds will be given due to disciplinary reasons or because of disagreements with the camp staff. I finally certify that this is also my child's medical release, that replicates the same medical release found in the Charlo Student and Athletic Handbook.
